This March, Belkin Burden Wenig & Goldman, LLP will celebrate its 25th Anniversary. It is hard to believe it has been 25 years since Sherwin, Joe, Jeff and I decided to start our own firm.

We have been fortunate over the years to represent a fantastic group of loyal clients who have stayed with us through good times and bad times, Republican administrations and Democratic administrations.

We have also been very lucky to have attracted a talented group of partners and colleagues who have helped our firm grow from the original four

attorneys to almost 50 attorneys and a support staff of more than 40.

We now have a multi-faceted practice, representing our clients in everything from the most sophisticated acquisitions to the most basic non-payments, and everything in between. No matter is too small or too large when our clients' interests are at stake.

We remain grateful for your confidence and loyalty and look forward to another 25 years of continued mutual success.

*Best wishes for a Healthy, Happy
and Prosperous New Year.*

Howard Wenig, Managing Partner
